## Delivery time

Most orders are shipped within a day order and payment. If there will be a delay you will be notified. If you need the jewelry for an occasion we will do our best to finish them for you or let you know if it is not possible. Designs from jewelers in Scotland are kept in stock as far as possible but there are sometimes delays if we run out of a particular item. Items produced in our own shop in rose gold, white gold, platinum or golds other than 14K may take up to 2 to 3 weeks.
